Top Skills

Python

Machine Learning

Deep Learning

Languages

Malayalam (Native or Bilingual)

Hindi (Elementary)

Tamil (Native or Bilingual)

Certifications

Neural Networks and Deep Learning

Fundamentals of Visualization with
Tableau

Introduction to Internet of Things and
embedded system

Programming for Everybody (Getting
Started with Python)

Anish B

Deep learning | Computer vision | signal processing
Bengaluru

Summary

AI and Data Enthusiast

Experience

CrowdANALYTIX

1 year 10 months

Data Scientist

January 2020 - Present (8 months)

Junior Data Scientist

November 2018 - December 2019 (1 year 2 months)

Bengaluru Area, India

HOD.life

Data scientist Intern

March 2018 - May 2018 (3 months)

Mumbai Area, India

worked on NLP project's.

CrowdANALYTIX

Data science intern

June 2017 - November 2017 (6 months)

Bangalore, India

Worked on deep learning algorithms and image-processing for data science projects.

Education

Karunya Institute of Technology and Sciences

B.Tech Biomedical Engineering, Biomedical/Medical
Engineering · (2014 - 2018)

Udacity
