## Summary

I found myself creative with a open attitude towards learning new things. I personally feel experiences about life determines our perspectives. I have huge interest to break a certain problems into chunks of data and gaining insights from it. My mind gets running on and on, in solving a problem . whenever i was given a problem, i come up with various strategies and ideas to tackle it to provide mindful solution.

---

## Experience

### Techstars Startup Weekend

Memabr

February 2020 - Present (7 months)

Chennai, Tamil Nadu, India

The experience i had in 54hrs is unimaginable, i learnt so many things in this short span of time. I learnt how customer influence product, marketing and product growth analysis. It was most experienting moments i had with life. We developed a product as a team, evaluated its cost and got about 5-6 customers in short span of time.

### Zolo

Zolo SEAL

July 2020 - Present (2 months)

The experience of learning about digital marketing skills along with leadership program was huge gain to my skill set.

### GeeksforGeeks

Campus Ambassador

June 2019 - September 2019 (4 months)

### Internshala

Intern

December 2018 - April 2019 (5 months)

learned digital marketing

leadership qualities and public speaking got enhanced.

figured out how to get internship by internshala

communication, event management and interpersonal skills

## Money-Wizards

Campus Ambassador

December 2018 - January 2019 (2 months)

Chennai, Tamil Nadu, India

marketing to improve awareness in finance education

learning about finance involved in company

how does a startup raise funds

how does it save from burnout all amazing things like series funding

various investors I learnt a lot from this intern

---
